Sir:

An amendment was submitted in the above captioned application on May 25, 2004 and the present document is a supplement to that amendment.

IN THE DRAWINGS:

Please substitute the enclosed three pages showing Figs. 8 to 12 and 18 to 22 and Figs. 23 to 24 for the original three pages showing the same Figs.

REMARKS:

In a review of the application subsequent to filing an amendment on May 25, 2004, it was noted that original drawings Figs. 8 to 12 and 18, 21, 22, 23 and 24 were not completely numbered. Consequently, the three pages with the numbers are

submitted herewith along with a copy of the drawings showing the proposed changes in red. It is believed that nothing new has been added to the application by these changes, as the changes are only to the addition of numbers to the parts.

It is also noted in the Amendment submitted on May 25, 2004 that there were two typographical errors. Paragraph 3 of the Remarks should reference Claims 33 to 36 (not 26). Also, in the fourth paragraph, line 7, the word "form" should be "from".

The Examiner is invited to contact the undersigned by telephone, if prosecution of this application can be expedited thereby.

Respectfully Submitted,
